Dangerous Road Curvature  
Detection using Edge Device

# Swasthik Moolya

Software Developer Enthusiast | Python Developer | React |  
Mastering NodeJS | Certified Information Security and Ethical  
Hacker (CISEH)  
Udupi, Karnataka, India

## Summary

Aspiring Software Architect with a strong foundation in Python, Node.js, and React. Eager to learn and grow within the tech industry. Possessing a keen eye for problem-solving and a collaborative spirit, I thrive in fast-paced environments. Seeking challenging roles to contribute to innovative projects.

---

## Experience

Alva's Institute of Engineering and Technology  
Python Full stack developer  
March 2023 - August 2023 (6 months)  
Mijar, Karnataka, India

I was given training on Python Full stack development and had to work on projects. I built Mini project as a outcome which was " Expense Tracking application" a pure Python CLI application. Also I was trained with DSA and Algorithms, Artificial intelligence and Machine learning.

Internshala  
Internshala Student Partner  
April 2023 - June 2023 (3 months)  
India

Mowen.in  
Graphic Design Intern  
October 2022 - November 2022 (2 months)  
India

---

## Education

Alva's Institute of Engineering and Technology  
Bachelor's of Engineering , Computer science and engineering · (December 2020 - March 2024)
